Dear Residents of Jackson Township, Grove City and the Village of Urbancrest;

We are writing to express our heartfelt thanks for your support in the recent election and the successful passage of the fire levy. The Jackson Township Fire Department is humbled by the trust and confidence you have placed in our dedicated firefighter/paramedics and staff.

Your continued support ensures that we can maintain and enhance the high level of service the community expects and deserves. The funds generated by this levy will be used wisely and efficiently to directly support the operations and essential needs of our Emergency Medical Services and Fire Department.

Specifically, this funding allows us to:

- Invest in necessary equipment and modern apparatus.
- Provide ongoing, critical training for our personnel.
- Ensure reliable and fast emergency response times.
- Continue to invest in the professional development of our team.

We want to assure you that we remain committed to being good stewards of your tax dollars and your trust. This support enables us to continue serving and growing alongside this incredible community, striving to keep our community safe for all residents and their families.

Thank you for standing with us and for your commitment to a safer community.

With sincere gratitude,

Ron McClure, Trustee
Dave Burris, Trustee
Jim Rauck, Trustee

Randy Little, Fire Chief

Shane Farnsworth, Administrator
