ANNOUNCEMENTS

Mr. Burris announced that the Shelly sand re-zoning proposal for SR 104 has been rescheduled to come before the Jackson Township Zoning Commission on March 26 and before the Board of Trustees on April 17. The hearing at the County last Wednesday was postponed due to snow emergency.

Mr. Tim Templin, 2463 Gantz Road

Mr. Templin addressed the Board. He stated that his mother owns the property at 2463 Gantz. He suggests that guard rails are needed at the street in front of his property. His house was hit by a car a month after they moved into the house almost five years ago. In the last four years his fence has been knocked down three times, his porch has been hit once and his mailbox has been knocked down so many times that he keeps an extra post in his garage. His property insurance has gone from \$1500 to \$2700 a year due to the claims. People go too fast into the curve, go through a couple neighbors yards before they reach his yard. Twice the hydrant on the other side of road in the middle of the curve has been knocked down. Once the Fire Department had to cap it off and they reported it and it was replaced immediately. The second time the person just drove off. The Templin's reported it to the State. The Board suggested that he bring in all the paperwork on claims, and we will submit a letter to the County.

Mr. Templin also had questions about electrical permits for a three-unit apartment dwelling. The Board sent Mr. Templin to Grove City for a permit to have an electrical service repaired.

Marv Holt asked when the hearing on the quarry would be heard. Mr. Burris explained that it would come before the zoning commission on March 26 and before the Trustees on April 17.

Mr. Burris commended the Fire Department for the fine job they did fighting the fire at Graeter's. He commended the Road Department for the good job they have done in keeping the roads in Jackson Township clear during the recent snow and ice.

The next regular meeting of the Jackson Township Board of Trustees will be March 6, 2007 at 1:30 p.m. Caucus will begin at 12:45 p.m.
