

MINUTES OF BOARD OF TRUSTEES, JACKSON TOWNSHIP, FRANKLIN COUNTY

October 9, 2012

OPENING

The Board of Trustees of Jackson Township, Franklin County, Ohio, met in regular session on Tuesday, October 9, 2012, at the Jackson Township Administration Building, 3756 Hoover Road, Grove City, Ohio. Chairman David Burris opened the meeting at 1:30 p.m. and invited those present to recite the Pledge of Allegiance. Mr. Burris gave the opening prayer.

ROLL CALL

David Burris	Present
Stephen Bowshier	Absent
Jim Rauck	Present
Ron Grossman	Present

RESOLUTION 2012-114

Mr. Burris moved to delete the reading and to approve the minutes for the September 25, 2012 Regular Meeting. Mr. Rauck seconded the motion. VOTE: all yes.

RESOLUTION 2012-115

Mr. Burris moved to accept the following reports as prepared and presented to the Board by Fiscal Officer Ron Grossman: Fund Status, Expenditure Account Status, Warrant Register, Bank Reconciliation and Memos of Expenditure. Mr. Rauck seconded the motion. VOTE: all yes.

RESOLUTION 2012-116

Mr. Burris moved to pay payroll, pay all bills, and approve purchase orders. Mr. Rauck seconded the motion. VOTE: all yes.

OLD BUSINESS

RESOLUTION 2012-97

Mr. Burris announced that Resolution 2012-97 would remain tabled.

NEW BUSINESS

RESOLUTION 2012-117

Mr. Burris read Resolution 2012-117 and moved to adopt the meeting schedule for the Board of Trustees for FY 2013. Mr. Rauck seconded the motion. Mr. Lilly explained the first Tuesday in January is New Year's Day, so the first scheduled meeting will be January 15, 2013. VOTE: all yes.

RESOLUTION 2012-118

Mr. Burris read Resolution 2012-118 and moved to enter nuisance abatement costs on tax duplicate for two properties. Mr. Rauck seconded the motion. VOTE: all yes.

DEPARTMENT REPORTS**ZONING & ADMINISTRATION**

Mr. Lilly provided the Board with a written report and also reported the following during the meeting:

- Everything is prepared for CleanUp Day this coming Saturday, October 13, 2012.
- Station #204 has been registered with the State of Ohio for a prevailing wage package. We are getting close to advertising for bids.
- After checking about receipt of our personal property taxes, we will receive one lump sum in November.
- Trial with Everett Webb and Fire Safety Services. Several employees are identified as witnesses and that will bring up the issue of reimbursement for that time served if they are called on an off duty date. The Board asked that Mr. Lilly get clarification from legal counsel.
- Mr. Lilly drew attention to script posted in hallway on the Township video. Chiefs are working with Mt Carmel that maybe we could get the old country club building as training fire for video footage.
- Have received another Imprelis settlement \$4500 for damage to pine trees at Station 203. We received our \$55,000 check, and we have to wait for them to come and take the trees down.
- Leaf pick up will begin soon.
- Jones Commercial Rezoning Request goes before County Planning Commission tomorrow afternoon seeking CS zoning which is the same as zoning for the other properties along SR 104. County is technically going to recommend denial since it is not referenced in our Comprehensive Plan. That is merely a recommendation. Final authority rests with the Board of Trustees.
- FEMA representatives have requested a copy of the Township insurance policy, which they have never asked for that before, for this June 29 storm damage claim that was declared by the Governor and the federal government to be a disaster eligible storm. Now FEMA says that before we can request their reimbursement we have to submit an insurance claim with our property insurer, when this storm did not occur on our property, to seek insurance reimbursement from our property insurer before they will proceed with reimbursement request.
- Information in Trustee packets that Grove City Television & Chamber of Commerce is hosting a kickoff event tomorrow at 5:30 with Earl Bruce at the Grand Oaks Event Center.
- In terms of overtime on part time and overtime reports we are doing exceptionally well. Compared with this time last year we are \$60,000 ahead in overtime costs when we compare overtime vs part time firemen.
- Memo from Chief Sheets contains his recommendations on the uniform committee for Trustee review and discussion.

FIRE DEPARTMENT

Chief Sheets presented a written report and also reported the following information during the meeting:

- 24 fire responses; 139 other responses with 12 cancelled runs.
- On October 10 will do a burning at 2841 Vine Street (an old house) which should only be a couple hours with on-duty crews.
- As Mr. Lilly mentioned we are working with Mt Carmel on a training session at the old Grovewood Country Club, and he believes that Grove City police are also checking into that as well. Asbestos reporting has to be done before we go in there.
- Value Inn is scheduled to be demolished, and we hope to get in there for some training in the next 30 days.
- Chief Dawson is working to get a piece of steel from the World Trade Center to put it at the new fire station as a memorial.
- Chief attended the Columbus & Metropolitan Medical response system meeting on Oct 5. That is the group that owned the HazMat trailer that we got a number of years ago, the 16 foot one. We petitioned them to keep that. We want to get rid of the rescue. We are actually going to make that an air trailer with all of our spare SCBA's that we use for training. They will be mounted in there on brackets; and when we have a training fire, we will use those instead of our front line ones. It will have air cascade training.
- The five new part time firefighters are starting their Blue Books, so they have all been assigned.

Deputy Chief Dawson presented the Board with an EMS report on runs.

Trustee Rauck asked about a graph on Chief Dawson's report illustrating mutual aid. There was a discussion about GPS, and we do not want to respond to calls just because Columbus GPS shows us as the closest responder. Mr. Burriss wants to know how many times we go into other jurisdictions. Report showed that in the past two weeks, we had only 2 events outside our jurisdiction.

Mr. Burriss asked about the Board getting together for a workshop, etc. before the next meeting, possibly meeting earlier in the day that day.

ANNOUNCEMENTS

The next regular meeting of the Jackson Township Board of Trustees will be Tuesday, October 23, 2012, at 7:00 p.m. with Caucus to begin at 6:15 p.m.

ADJOURNMENT**RESOLUTION 2012-119**

Mr. Burriss moved to adjourn. Mr. Rauck seconded the motion. VOTE: all yes.

Meeting was adjourned at 2:00 p.m.

Report of Fire Department Activities for the week of

September 26, 2012 thru October 8, 2012

- **EMS responses**
 - Chief Dawson's Report
- **Fire responses**
 - 24 Fire responses
 - 139 Other responses
 - 12 Cancelled Runs
- On October 10, 2012 we are going to have a training fire at 2841 Vine Street.
- We are working with Mt. Carmel on a training session at the old Grove Brook Country Club Building. B/Chief Jacob has been in contact and they are working on the permits and asbestos inspection.
- The Value Inn is scheduled to be demolished this month or next month. We may get some training out of it.
- We hope to get a piece of steel from the World Trade Center. Chief Dawson has sent a request.
- I attended the Columbus & Metropolitan Medical Response System meeting on October 5, 2012. They are the group that owns our old haz-mat trailer. We are going to convert that trailer to a SCBA/Training trainer and it will have an air cascade system in it. This will allow us to dispose of the old rescue.
- Our five new part-time firefighters have started and are working on their Blue Books.

- **Fall Clean-Up Day** Sat. Oct. 13th from 8am – 1pm. Have confirmed volunteers from KGCB and VIP, Possitivity scheduled to collect e-waste. Local Waste and SWACO confirmed. Coordinated with SWACO's HHW which occurs at TOSOH on Gantz Road. Lunch provided to volunteers and workers.
- **Fire Station #204** M&W working quickly to finalize building design plans to submit plans to GCBD for permits. Awaiting draft of bid documents and contracts from Reminger. JTFD seeking information about opportunity to obtain pieces of steel from WTC 9-11 to use as memorial in the new station. Project registered with State of Ohio for prevailing wages and wage rates have been obtained for publications.
- **Fall Newsletter** Distribution in The Bag occurred this past Sunday, Oct. 7th. Approximately 15,000 copies to all residences in the area.
- **Ohio Magazine** Grove City selected as OHIO'S BEST HOMETOWN for special publication inserts in November, Jan. 2013 and June 2013. Cost for advertising are discounted to \$500 for a 1/6th size ad.
- **Hyde Road Speeding** FraCo Sheriffs will be doing selective speed enforcement on dates and times determined from speed counts for best effect.
- **Budget Status** Preparing 2013 estimates with first drafts available for Board in November. November's meeting is Monday, Nov. 19th at 1:30pm, it is not an evening meeting. We could use that meeting as a working lunch meeting to review and discuss draft budget reports.
- **TPP Reimbursement** Balance of Tangible Personal Property TPP (\$976,000) expected in November after changes in distribution schedule by State of Ohio...(Aug. 3/7ths is now combined to November). Total TPP for 2012 - \$1,147,518. Starting in 2013 that is reduced \$212,000 for total annual TPP to be \$934,681 which is reimbursed to Township 1/7th in May and 6/7th in November.
- **Local Waste Trash Services** Preparing next round of trash delinquencies to about 60 property owners on about \$2,000 in delinquencies. Collected all but about \$250 in the first round notices.
- **Fire Safety v. Webb** Trial date planned for Nov. 15th, attorneys completing depositions and discovery over next few week. Jackson Township is NOT named in the lawsuit, however several employees are identified as witnesses to the accident.

- **Township Video** Script ideas prepared, training fire for video footage may occur at end of month. Have several properties including the Mt. Carmel GCCC building that are being prepared for OEPA demolition and asbestos clearance. GC also has a house on Ventura, but that residential property still has renters living at the residence.
- **Imprelis Settlements** Received first settlement payment in amount of \$55,000 and awaiting tree removals at Township. Have received a 2nd settlement for another \$4,571 for damages at Sta. #203. There were no damaged trees at any other properties.
- **Zoning Commission – Jones Commercial Rezoning Request** County Planning Commission to review the request for CS rezoning on Oct. 10th and the county planning staff report recommends denial since the use is not identified in the 2010 Comprehensive Plan. Township Zoning Commission to hear the case on Oct. 22 with recommendations to the Board for adoption on Oct. 23.
- **Leaf PickUp** Reminder that Service Dept. will start the leaf collection process once a significant amount of leaves begins to fall...typically mid-November. Crews will adjust their schedules accordingly.
- **FEMA Storm Damage Reimbursement** Had first “kick-off” meeting with FEMA representatives on Oct. 4th. Total claims estimated at approximately \$7,000. Following meeting, FEMA has notified JT that we must make a claim with our insurer and await denial before FEMA will proceed with reimbursement request.
- **OTARMA – risk recommendations** Our insurer, OTARMA, is recommending we update our policies and procedures and implement the following risk reduction strategies:
 1. Require all contractors to provide Certificate of Liability naming the Township as an additional insured.
 2. Require all contractors to sign a “Hold Harmless” agreement prior to commencing any work on Township facilities.
 3. Document signage inspections on all Township roads monthly.
 4. Adopt new Driving Acceptability Policy (see first draft of new policy attached)

C: Board
10/9/12

Steve Bowshier, Jackson Township Trustee
Mike Lilly, Jackson Township Administrator

Gentlemen,

This letter is in response to the Uniform SOG that was changed by the Board of Trustees at their August 14, 2012 meeting. Going back into the history of the Jackson Township Fire Department, every Fire Chief has determined the look of the firefighters who serve the public. This goes back to 1946 and Chief Rumsfield. I would agree, times and the uniform have changed. What should not change is how professional we look. Yes, I have heard the argument that the public does not care what we look like. Well in their time of need, they do care, but I think we should care more and set the professional standard. In my opinion, the current Uniform SOG does not do that.

As I have explained in a memo I sent to you on August 23, 2012, I did not get the chance to have any input into the decision that was made. I was on vacation at that time. I was going to prepare and present my thoughts at the August 28, 2012 meeting, which the Uniform Committee Chair knew. While I do understand, I work at the pleasure of the Jackson Township Board of Trustees, this was a decision I believe the Fire Chief should have made.

I will now give you my thoughts about the uniform SOG as changed by the Board. We went from having two primary uniforms for station wear to many. Our uniform choices were long pants with a golf shirt or long pants with a button up shirt. Tee shirts could be worn when we were doing work details such as hose testing, station and vehicle cleaning, yard work and hydrant testing.

We now have those two plus:

- **Long pants can be worn with:**
 - Short sleeve or long sleeve t-shirts
 - Short sleeve or long sleeve t-shirt with a long sleeve wind shirt
 - Short sleeve or long sleeve t-shirt with a long sleeve New York Style sweater
 - Short sleeve or long sleeve t-shirt and long sleeve zip up 5.11 jacket liner

- **Shorts can be worn with:**
 - Short sleeve or long sleeve golf shirt
 - Short or long sleeve button up shirt
 - Short or long sleeve t-shirts
 - Short or long sleeve t-shirt and a long sleeve wind shirt
 - Short or long sleeve t-shirt and a long sleeve New York Style sweater

- Short or long sleeve t-shirt and a long sleeve zip up 5.11 jacket liner

Tee shirts can have nothing on them, some have embroiled logo on front and nothing on the back, and some have Jackson Twp on the back and logo on the front. Some have unit numbers on them, some don't, some have the name and some don't. Some are to be 100% cotton 5.11; some are to be Haines beefy-t style. Cost of a 100% cotton 5.11tee shirt cost \$27.00; a beefy-t cost \$21.00. Our old style t-shirts cost \$12.50. With the additional cost and the tee shirt being worn as station wear, I do not see much of a savings. They will be buying more tee shirts at a higher cost and they increase the chances of damaging them. The argument that a tee shirt is cooler to wear than a polo shirt is not valid in my opinion. I personally have worn both and believe the polo shirt is at least as cool and they look more professional.

Shorts can be worn starting in May 1, and ending October 31. In a document I received from B/Chief Strader and from the Clothing Committee, dated August 5, 2012, they spoke a lot about tee-shirts. The only comment made about shorts was "Approximately 75% of those met with wanted the ability to wear shorts as station wear". We have 104 employees, as of this date, approximately 12 people have bought shorts and one of them does not wear them because he does not like the look. Shorts are mentioned in Section 3.20 Shorts, of the Uniform SOG. The cost of a pair of short is \$44.00 where long uniform pants are \$48.00, not much of a cost savings. What they did not talk about was how they are exposing more of their skin to cuts, exposure to blood and other body fluids and other injuries. The long pants do give an extra layer of protection. When we are trying to protect our body surfaces from exposure to fluids and other contaminates, we allow shorts. This exposes us more, and it does not protect us like the long pants do.

In the August 5, 2012 document from the committee, the committee speaks about the comfort of t-shirts but not about shorts. I have seen shorts worn with almost every combination of shirt and shoe possible. There have been firefighters wearing shorts when the temperature is in the 40's and 50's. They wear shorts with a tee shirt and a long sleeved New York style sweatshirt. They have worn shorts with a long sleeve wind shirt. How can you be so cold you need a sweatshirt or wind shirt but are wearing shorts? This looks very unprofessional in my opinion. I believe this is more about style than comfort.

Shoes with shorts, I have seen at least five different styles of shoes. There have been people wearing regular station shoes, station pull on high top station shoes and three different styles of tennis shoes. Socks range from 2" about the ankle to no sock showing. Some socks are all black, some have white on them. Now we have tennis shoes for exercise and tennis shoes for station wear with shorts at an increased cost of \$75.00. There is also a boot type of shoes required that the Township pays up to \$150.00.

There is nothing uniform about our look any more. On an engine, you can have three different uniforms on three different people. On a medic we sometimes have two different styles of uniform. In the document I received from the committee, they even recognize the changes they made are not acceptable to wear when we are doing community events. The report said, "*We understand that appearance is very important to*

the fire department and it is as well to the firefighters. Everyone interviewed felt there was an appropriate time for fatigue shirts and badges. Whether attending a Trustee meeting or providing a PR in the public, it was felt that a fatigue shirt and badge is warranted simply as a sign of respect for the atmosphere we are in." This statement proves my point, wearing shorts and tee shirt are not the professional look I want this department to portray. If shorts and a tee shirt are good for station wear and taking runs in the public eye, why not all the time?

The following are the recommendations I would have made if given the chance in August.

Tee-Shirts:

- The only change I would have made to the old policy would be to allow tee-shirts between the hours of 2000-0700 hours.
- From 0800-2000 and 0700-0800 wear a collared shirt.
- Tee shirt could be worn if you were assigned to the engine or ladder.
- Personnel assigned to the medic would wear a collared shirt like a polo shirt or fatigue shirt all shift.
- Battalion Chiefs, Deputy Chief, and the Fire Chief would not be permitted to wear a tee shirt unless in a training exercise.

Shorts:

- Shorts could be worn during special event like, Arts in the Alley and Blast at Beulah.
- Any shoe worn with the shorts would be the same color and type.
- Any socks worn with the shoe would be the same color and type.
- Battalion Chiefs, Deputy Chief, and the Fire Chief would not be permitted to wear while on duty.

The bottom line is that when the weather is going to get extremely hot, the firefighters are told to stay inside as much as possible. They are to keep hydrated with plenty of fluids. Make sure they eat well and keep cool. All of our vehicles have air conditioning. If a fire happens during hot temperatures, they are in their bunker gear and it is hot. We do a good job getting firefighters to rehab with plenty of fluids. Every engine and the ladder carry water. We do the same when it is extremely cold, only we keep them inside and warm.

In closing, I am asking the Board to give the responsibility back to me to determine what uniform we will wear and when it can be worn. This has been the Fire Chiefs responsibility for many years.

Sincerely,

Gilbert L. Sheets
Fire Chief

CELEBRATING 110 YEARS

On behalf of Patricia Mozley, Harrison College Campus President, I would like to invite you to join us for a very special celebration. On Tuesday, October 23, 2012, we will be celebrating the **110th Anniversary** of our founding, and as a valued member of our community, we would love for you to be part of this special day.

Harrison College first opened its doors in 1902 in Marion, Indiana, and has been growing ever since. With six schools of study and campuses in Ohio, Indiana, and North Carolina, we have thousands of students from across the nation who study online and at our campuses. We have graduated more than 75,000 people, and currently provide a career-focused education to over 4,500 students. Our Ohio campus is located at 3880 Jackpot Road, Grove City, OH 43123.

There will be two distinct events held as part of the celebration. The first is the **Harrison College Connection**, an open house and networking extravaganza for our employer and community partners, students, alumni, and the general public. This event will provide a splendid opportunity for the community to interact in a fun and informal setting.

The second event is the **Official Ceremony** and will include lunch and a presentation of our new student learning platform KnowU. We would love for you to be our distinguished guest for this portion of the day. Also included are invitations to representatives of state and local government, members of the Grove City Chamber of Commerce, Grove City Rotary Club, Harrison College Advisory Board, and the Harrison Connection/Career Networking employer/community partner attendees.

The agenda is as follows:

*10:00 am – 12:00 pm – Harrison College Connection - Career Networking Event (Open to all)

*12:00 pm – 1:30 pm – Official Ceremony - Lunch and KnowU Presentation (By special invitation)

*5:00 pm – 7:00 pm – Harrison College Connection - Career Networking Event (Open to all)

Some of the benefits for YOUR ORGANIZATION are:

- Live radio remote coverage provided by Sunny 95
- Plenty of raffle giveaways
- FREE space to promote your business/organization
- Employee/Volunteer prospecting
- Plenty of fun
- Networking galore

Career Networking Event - to participate at the free Career Networking Event as an employer/community partner, please contact Leslie Attwooll, Director of Career Services at 614-808-2135, or via email at: leslie.attwooll@harrison.edu. Please note that space is limited and is on a first/come, first/serve basis.

Official Ceremony - to RSVP as our special guest for the ceremony, please, contact Allison Kreis at 614-808-2126, or 740-501-4891 or via email at: allison.kreis@harrison.edu.

We'd appreciate your confirmation **no later than Friday, October 5th**.

We look forward to seeing you!

Lilly, Mike
