DEPARTMENT REPORTS

ZONING & ADMINISTRATION

Mr. Lilly presented a report in Caucus and provided the Board with a written report. He also reported that he mentioned the Zoning Commission briefly about Station 204 in terms of the process with the Zoning Commission last night approving the change of zoning that comes before this Board of Trustees on September 25. Also memos were previously distributed to the Trustees on the zoning development meetings we have had with the architects the past two weeks. They have identified nearly \$148,000 in reductions on the cost estimates as a result of those meetings. That has brought the estimated price per sq foot down from \$282 per square foot to \$267 per square foot; however, \$267 per square foot is still more than we had originally anticipated.

FIRE DEPARTMENT

Chief Sheets presented a written report and also provided report in caucus.
