TO PROVIDE
ARCHITECTURAL/ENGINEERING SERVICES
FOR
JACKSON TOWNSHIP

OBJECTIVE

Jackson Township is soliciting Statements of Qualifications to provide professional architectural services as required to assist the Owner with the design and construction administration for the development of a Township owned facilities to be located in the Grove City, Ohio area. The professional architectural services required are to assist the Owner with the design and construction administration for the expansion of Two Township owned buildings located in the Grove City area. The proposed building is to provide Fire and Road Department governmental services, including vehicle maintenance, vehicle storage, vehicle wash bay, parking areas, office space, restrooms with showers, and equipment storage. The building additions are estimated to be between 4,500 -5,000 SF.

The selected firm shall provide complete architectural/engineering design services as necessary for construction and/or renovation of the existing facilities. Statements of qualifications should include information regarding the firm's history; education and experience of owners and key technical personnel; the technical expertise of the firm's current staff; the firm's experience in performing architectural/engineering work on historic buildings, design documents, specifications, construction administration and observation; availability of staff; the firm's equipment and facilities; references, and any previous work performed for Jackson Township.

BACKGROUND

The Jackson Township Trustees are responsible for all the facilities in which all of the Township operations are performed. This includes the facilities required to operate the Township Road Department, Fire Department and Township Administration. The area Jackson Township serves for first responder services is rapidly increasing in population which requires the Township to increase operations to meet those growing needs. The proposed building expansions are anticipated to be approximately 4,500-5-000 SF in size, and not including necessary parking areas, material storage, and access drives and approaches.

Bidding Phase	December thru February, 2024
Construction Phase	March thru December, 2024

EVALUATION CONSIDERATIONS

The following are the primary evaluation considerations that the Township plans to utilize to select the best qualified firm. Selection is subjective in many areas and the decision of the Township selection committee will be final and not subject to re-evaluation by the firms submitting a Statement of Qualifications. The selection committee will consist of the Township Administrator, Road Supervisor, Assistant Fire Chief and One Township Trustee.

1) Firm & Individual Qualifications: Such considerations as; 1) length of time firm has been in business, length of time principals have been with firm, financial responsibility, professional liability coverage, etc. will be included in this area. 2) Similar architectural/engineering projects completed for historic buildings; other similar government projects completed by the key personnel of the firm, support staff abilities, range of in-house capabilities etc. will be included in this area. 3) Qualifications and credentials of the project architect and staff assigned to the projects, architect and staff experience with construction project administration, design/construction dispute resolution, will be included in this area.

2) Proximity to Site: Such consideration as; location of firm's office that will be responsible for project coordination and proximity to the project site, previous work in the general geographic area, key project personnel office location, etc. will be included in this area. (This criterion is being considered because lower project costs should result if limited travel expenses, etc. are required.

3) Capacity to Perform Work: Such considerations as; ability of firm to complete the required work in-house with the scheduled timeframe, firm's current work load, ability of firm to utilize full time staff to complete work, range of firm's staff in the technical areas needed for the design associated with the project, subcontractors needed to complete the project, etc. will be included in this area.

4) References & Quality: Such considerations as; 1) examples or descriptions of similar work, references from satisfied clients, results of previous projects, etc. will be included in this area. 2) Technical innovation and communication/cooperation; 3) Meeting budgets, schedules, and deadlines 5) Past Performance for Owner - Such considerations as; 1) previous performance in providing professional services for Jackson Township

The Township will accept Statements of Qualifications (SoQ's) until 3:00 PM on May 26, 2023 at the Jackson Township Administration Office, Attn: Shane Farnsworth, Township Administrator, 3756 Hoover Road Grove City, Ohio 43123. The Statement of Qualifications should be limited to twenty five pages excluding resumes. Each firm shall submit a total of three (3) copies of the SoQ in a sealed envelope clearly marked on the outside "Statement of Qualifications for Architectural Services."

The Township retains the option of rejecting or accepting any Statements of Qualifications. Should a firm be selected and the Township cannot negotiate a contract with the selected firm, the Township shall inform the firm in writing of the termination of negotiations and enter into negotiations with the firm it deems next best qualified. If negotiations again fail, the same procedure shall be followed with each next best qualified firm selected until a contract is negotiated. However, the Township retains the right to reject all SoQ's and initiate the process of obtaining Statement of Qualifications from qualified firms at a later date.

STATEMENTS OF QUALIFICATIONS

The specific format of the Statement of Qualifications (SoQ) shall be per the responding firm's judgment. In general, SoQ's shall be organized in a manner that will facilitate the evaluation of the responding firm under the considerations stated herein. It is desirable that the responding firm's SoQ's specifically addresses each evaluation consideration. Additional information over what is listed for each criterion in the preceding section that is deemed relevant may be submitted. The County requests that in addition to a general list of representative projects, responding firms select one or two of its completed projects of similar size and scope for a detailed project description. The selected project shall be a project that has been completed for at least three years but no more than ten years.

The responding firms are also requested to provide the proposed project team that most likely will work on this project. Members listed should include personnel from the principal down to the evaluation staff. Sub-professional level employees not providing a significant role on the project do not need to be included. A resume of each key member of the team is needed and should detail relevant experience, length of service with the firm and job duties during his/her tenure, educational background and professional background.

INTERVIEWS

The Township reserves the right to conduct face-to-face interviews with any, all, or none of the responding firms. In the event the Township selection committee deems interviews necessary to select the best firm, the Township will establish a meeting at a mutually acceptable time. The Township selection committee will meet with key members of the firm's proposed project team. It shall be the selection committee's sole decision on which firms interviews are held.

NOTICE OF POLICY

It is the policy of the Township that all original design documents, construction tracings, legal documents, reports, studies, and other data produced as a direct result of the services performed under the contract shall become the property of Jackson Township. Any copyrighting of material produced as a result of the services performed shall be in Jackson Township's name. Where licensed material is incorporated as an integral component of the services provided the firm shall register the Township as a licensed user and shall provide the Township with one complete copy of the licensed material.
